

During recent years Lane's Interiors have re-decorated almost every room in our house. It has been fun and always the result I'd hoped for. Jenny and Wally Tomlinson work together with a sense of purpose and dedication: Wally installs the furnishings Jenny creates and the high standard they maintain makes re-decorating worry-free. Their integrity we value highly; Jenny is always cheerful, prompt, positive, adaptable, a wizard with colour and has flair and imagination.

*In appreciation,  
Ann Hawker.*
